This has been a year of EVALUATION in our school with students, faculty, and specialists examining all phases of school life and "weighing" our successes against our failures. With this thought in mind and hoping that by looking at these pages the reader will have a better understanding of life in Chilhowie High School, we chose as our theme . . .

EVALUATION

Dedication

With pardonable pride, we, the Senior Class of 1951, take great pleasure in dedicating this volume of the CHILVALEE to MISS LOUISE SNAVELY, an alumna of Chilhowie High School, a product of our own community, an efficient teacher, in recognition of her untiring and faithful leadership.

Best wishes for your success and happiness.
Louise Snavely

THE SYMBOL OF QUALITY

Nationally advertised and nationally known, the famed registered trademark of Burlington Mills represents quality textile products at moderate costs within the reach of average consumers.

Quality is an important part of Burlington's production, carefully guarded by a modern Quality Control Laboratory and numerous inspections during the various stages of manufacturing.

Cameo Stockings, a product of the Town House Hosiery Plant, are excellent examples of the fine textile products manufactured by Burlington Mills. Hosiery manufactured at Town House are sold and acclaimed all over the nation.
